## Result steps / logic and data from result

When a search is run.

- How is Match / Close Match / No Match determined
- Always show the button option to perform an enhanced verification
  - o This is whether we have the PP or not, there is additional information required to be saved for the Payee, like listed above – Payee Id, provided Name ...etc.
- Accept Match and Complete
  - o Can't have this option if we are displaying no match
  - o Should only show “Enhanced verification” option
